

Welcome back

We cannot wait to welcome you again to our island. We have measures in place for both our locals and our visitors to ensure Curaçao is a safe sanctuary where you can relax and feel re-energized.

1. AT HOME

Please fill in the following on dicardcuracao.com and carry a printed document of proof with you:

- Digital Immigration Card
- Passenger Locator Card, max. 48 hours before departure
- Upload a negative result from a certified COVID-19 PCR-test, taken max. 72 hours before departure

4. TRANSPORTATION

- Transfer buses are cleaned as per strict hygiene protocols
- All guests are required to wear face masks
- All guests have assigned seating
- Only certified taxi's can be used
- Car rental according to the rental company's protocol

2. PRIOR TO ARRIVAL

- All tourist facilities follow the 'A Dushi Stay, the Healthy Way' protocol
- All service staff have been trained on the COVID-19 protocol

3. AT CURAÇAO INTERNATIONAL AIRPORT

- Pathways are adapted to allow a physical distance of 2 meters
- At the airport, passengers are required to wear face masks
- Cleaning is done frequently and thoroughly
- A health check takes place for all arriving passengers

5. AT YOUR ACCOMMODATION AND OTHER TOURIST FACILITIES

- All tourist facilities follow the 'A Dushi Stay, the Healthy Way' protocol
- Property protocols for hygiene measures are in place and available to guests
- All areas and contact surfaces are cleaned frequently and thoroughly
- Reservations and pre-bookings at facilities may be required to prevent crowds
- In case physical distancing cannot be maintained, guests may be asked to wear face masks
- Guests are asked to follow hygiene recommendations and make use of the hand washing stations and/or hand sanitizers
- Physical distancing of 2 meters is required at all times
- The local measures to prevent the spread of COVID-19 are also applicable to visitors
